SB 70

School Nurses/Epinephrine Auto-injectors by Senator Aronberg

Provides that a district school board may authorize a school nurse to maintain supplies of epinephrine auto-injectors at each school in the district. Requires a written prescription with the school nurse's name and the school district designated as the patient. Allows a school nurse to administer epinephrine to a student using the auto-injector if the nurse believes that the student is having a life-threatening anaphylactic reaction. (See bill for details)
